Dedication

We, the Seniors of 1969, dedicate this year's Pine Knot to the American Servicemen. With valor and courage they have sacrificed a portion of their lives to preserve the

freedom and democracy of our nation. May their efforts to promote peace and freedom for all people be remembered always in the heart of every American.

Foreword

The years after graduation will be the most important ones of our lives. The challenge before us will be great. We must set our goals carefully and strive to attain them. In order to make our youthful dreams reality, we must work, for our quest to fulfill these dreams will be difficult.

Today as never before, mankind leans upon his past, his trial and error, his success and failure, upon the wisdom gained from his experience.

However, the biggest challenge we will face is the challenge to keep our country free. We, the youth of America, are the hope for future generations. The assassination of President John F. Kennedy, Martin Luther King, and Senator Robert F. Kennedy has made us realize that we must continue to strive to protect the freedom which is ours and to build upon it, for this is our most cherished possession. May we always deserve the freedom and democracy that is our sacred trust and heritage!

"Education forms the common mind, just as the twig is bent the tree's inclined." A strong root system furnishes nourishment for a flourishing tree. Like a tree, a student branches out into all fields of endeavor. These formative high school years deeply influence the student's direction and growth. Surely we at Askov High School have been fortunate.

Through the doors of our school pass the future citizens of our nation. We enter through these doors that we may grow scholastically, socially, physically, spiritually and increase our understanding of ourselves and our fellow men.

After completing our high school education, we pass through these same doors to meet the future challenges; our trials and problems faced in school become a happy memory of the past.

In later years, as you leaf through the pages of this book and relive your high school days, may you remember and cherish the challenges, accomplishments, and above all, the friends at Askov High School.

ACTIVITIES

Student Council

Governs Activities

The Student Council is a governing body of the school. It represents the whole student body and its ideas.

This year's Student Council has been a very active organization. Some of the activities which we have discussed and planned are a carnival in the spring, dances throughout the year, and a recreation room for noon hour. The Student Council sponsored the magazine drive and received the proceeds for the activity fund.

We have worked very hard to fulfill the needs of the individual students who have entered the library this year. It has been a lot of fun, and we were all glad to serve the students of A.H.S. in any way we could.

Judy Erickson was selected as this year's DAR candidate by the senior class, faculty, and administration. She was chosen from four basic qualifications: dependability, leadership, citizenship, and patriotism.

Boys' State

Neil Beise was chosen by the American Legion Post to represent Askov at Boys' State which was held at Gustavus Adolphus in St. Peter. The session lasted one week. Neil felt it to be an educationally profitable experience.

For we are the Builders of Homes, homes for America's future. Homes where living will be the expression of everything that is good and fair. Homes where truth and love and security and faith will be realities, not dreams. We are the Future Homemakers of America. We face the future with warm courage and high hope.

Harriers Win District

The Harriers showed their power this year with an undefeated season. They went on to win the district title with ease and then ended the season by doing favorably well in the regional meet.

The team has set its next year's goal at winning the regional contest as all top six runners are underclassmen.

Rick Storebo, the team captain, set a school record with a time of 10:09. Adrian Degerstrom, a freshman was right behind Rick throughout the season with a best time of 10:10.

1968 Baseball: Season For Growth

The 1968 Baseball season was a season of growth and development for our team. Although we lost all our games, it was worthwhile training for the young players.

Under the leadership of Mr. Peterson, we learned a great deal about the fundamentals of baseball. The experience we gained last year, will benefit us in the years to come.

Lettermen's Club

Award Society of Athletes

The Askov National Honor Society was formed this year. The society this year consisted of only juniors and seniors. Next year sophomores will be allowed to join. Much organizational work was accomplished this year.

To qualify for the society a candidate must maintain a B+ average and show citizenship and leadership through his academic and community life.

The Lettersmen's Club was a very active organization throughout the year. The fund raising campaigns included selling basketball magazines, a slave day, and selling tickets and concessions at basketball games. The funds are used each year to pay for the lettersmen's jackets which are awarded to all lettering seniors and to promote sportsmanship through athletics.

Laura,
I'll get to the point: Hope we
stay ahead of Buger and Picker. We've
been real good friends this year and I
hope we are next year. (I know we will)
hiding horse, falling and rolling off of

of course all of the cats and ski-dooing!
Good Luck to a real nice girl and try

Laura,

We've had some fun times together and I hope we'll have many more. I hope our senior year will be as fun as this year and the rest of the years too. When we become seniors we'll really have to liven up the school. Right? With Jim it won't be hard! Good luck to a real sweet girl.

Your loyal friend

Cheri

Laura,

You'd better be here next year so I can sit by you on the bus. I don't know what to do without you. Your so sibly friend Wendy
